ESTATE OF MIND FAVORITE FINDS

## Toujours l'Amour

Style guru **Jason Oliver Nixon** has found love in all the right places, and offers some travel-minded suggestions to liven up that lethargic libido.

### HOW SWEDE IT IS

If only we could sail off to Scandinavia with our soul mate, our lives would be blissful and complete. Sadly, we cannot sojourn Swedish style, so we are heading to the way-chic bar at **Aquavit** for a romantic *repas* of marvelous little meatballs while knocking back aquavit in all sorts of exotic flavors. Aquavit, we find, makes us frolicsome, and that's a good thing. *Aquavit, 65 East 55th Street, 212-307-7311.*
